- Those candidates not successful this round, will be given the opportunity to be placed on the supply list
- Applications due by April 12th

Principals Update

- **Happy Easter and Happy Spring!** The warmer weather does much to boost our spirits. The Easter Message of Hope is a reminder for all us to continue in Hope.
- **Visitor Parking and Drop Offs.** When busses are cleared from the laneway, we have opened half of the drive way. To avoid congestion on the street, we ask you to drive through and drop off your child. If you need to come into the school, we have parking spaces in front of the school for parking for short periods of time between 9:15 am and 3:00 pm. During bell times parents are encouraged to use the parking lot across the street. Families can also park on the side streets around the school, where permitted, and do a short walk to school.

2024 Fill A Van Food Drive

We have had a very successful last minute food drive to support the St. Vincent De Paul Society. We filled two vehicles, which is the equivalent of a van—as such students have earned an extended recess! Thank you very much for your donations!

For “whatsoever you do to the least of your brothers and sisters, you do unto me,” Jesus. (Matthew 25:40)

A reminder that the PA Day for this month has been moved to Monday April 8th, 2024.

Mrs. Brown is Retiring!

We wish Mrs. Brown all the best in her retirement. She has been the only school librarian here at Holy Spirit since 2001. Her last day is Friday April 5th, 2024.

We welcome Mrs. Angela Raposo to our school as our new Library Technician.

April Focus

The Monthly Theme for April is **Global Citizenship and Sustainability**. Global citizenship and sustainability involves understanding diverse world views and perspectives in order to effectively address the various political, environmental, social, and economic issues that are central to living sustainably in today’s interconnected and interdependent world. It also involves acquiring the knowledge, motivation, dispositions, and skills required for engaged citizenship, along with an appreciation of the diversity of people and perspectives in the world. It calls for the ability to envision and work towards a better and more sustainable future for all. This links nicely with our Catholic Graduate Expectation of being a Responsible Citizen.

A Responsible Citizen

A responsible citizen who gives witness to Catholic social teaching by promoting peace, justice and the sacredness of human life.
